Review and Approval of Minutes from April

Review and Approval of the Treasurer's Report

Communications/Newsletter Delivery – Sally will coordinate delivery of Garden tour fliers for Memorial Day weekend (May 23-26)

Web-Site – updated for garden tour

Garden Tour Update – Still coordinating volunteers. Rebecca has created flier for the neighborhood. Seven neighborhood gardens, plus Varner Hall to show. Mini-classes to take place at Mary's. Lincoln Watershed office planning to provide rain garden information at Paul and Sherri's.

Parking – Concerns raised about the potential for parking permit system with regard to Farm House and other fraternities. Farm House has ~80 members; how would it work?

We need to hear from more of the neighborhood on their opinions. We've been hearing the complaints in regard to overcrowded parking. What's the opinion of those who've been silent on the issue.

Peter Pan Party – May 9 from 6:00 – 8:00 PM

Paul will attend to set up an ECCO booth. Ann will provide the ECCO banner. Rebecca will print 50 of the Garden Tour flier to have at the table. Danielle will bring leftover newsletters.

4th of July Parade

Paul will start the planning. Ann has supplies leftover from last year. Bob Peterson has provided flags in the past. We learned our intended honoree will be out of town this year so we need other suggestions. Danielle will submit for the parade permit with the city. We plan to route the parade from Idylwild park/37th/Holdrege/38th.

Fraternity representatives on Board

Darren Wright of AGS and Callen Ledall of AGR will represent their fraternities and have provided emails to be included in communications.

Mayor's Round Table –

Plans for technology improvement from the city include putting fiber in to the neighborhoods with the intent of providing Gig-speed to houses. There is a 6 year or a 12 year plan depending on tax revenues.

KLLCB – Keep Lincoln Lancaster County Beautiful

There is still money available for community improvement projects (as in trash pick up). \$50/mile reimbursement. Contact Adam Rhodes with the health department.
