- Update on 1107 North 37th Street – M. Eisenhart
 - ✓ M. Eisenhart to contact SunTrust Mortgage 5/15 to double-check on care for the lot (mowing, weeds, etc)
 - ✓ M. Eisenhart to contact City to inquire RE status of demolition – there was a 30-day extension from deadline of 4/2 – passed and it is still standing. Will report findings to Board ASAP.
- R. and Barbara Voeltz inquired about a house located between 4204 & 4226 Starr Street. It has been unoccupied for some time and is in need of repair and maintenance; has poorly-constructed sheds; and is a general eyesore. A neighbor @ 4226 Starr would like to initiate some action to improve the situation, and wondered if ECCO could help with planning some ameliorative measures.
 - 4214 Starr (is the address). LPD will look at the property. It was suggested by Sarah (LPD) to report any concerns regarding the property to a minimum of two city agencies to encourage escalation of the problem and to increase the likelihood of getting a response.

Prosper Lincoln is looking for input from as many people as possible on what we can do to improve Lincoln, To read the statistics on how well, or not well, Lincoln is doing, please go to <http://www.lincolnvitalsigns.org/>. Once there you can read the report, read a summary of the report, and see how you can give your ideas to the Prosper Lincoln.
